Introduction

Long-term superior performance is directly related to job fit. Job fit, in simple terms, is having the talent that the job requires.

Most people match some, but not necessarily all, job requirements. When this happens, we have a gap. The gap is nothing more than an area for development.

This report makes it easy for both manager and subordinate to discuss and develop a plan for personalized development.

Job Competencies Hierarchy

All jobs require certain competencies. This section of the report identifies those competencies that lead to superior performance in most jobs. The graphs below are in descending order from the highest rated competency required by the job to the lowest.
